KB Home Announces the Grand Opening of Its New Sterling Chateau Community in Vacaville

Builder's newest Northern California neighborhood offers both one- and two-story home designs near employment and recreational destinations

VACAVILLE, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the grand opening of its Sterling Chateau community in Vacaville, where homebuyers have their choice of four distinct floor plans and the opportunity to live in a prime commuting location that provides easy access to major highways and employment corridors.

Situated midway between San Francisco and Sacramento, Sterling Chateau's close proximity to I-80 and I-505 enables convenient travel throughout the area. Residents at Sterling Chateau can take advantage of Vacaville's central location to visit Lake Tahoe, and the world-renowned Napa Valley, or stay local for shopping, dining and entertainment at the Vacaville Premium Outlets®. KB homeowners at Sterling Chateau can also enjoy Vacaville's beautiful natural setting and surrounding recreational areas and parks.

The four one- and two-story home designs available at Sterling Chateau are sized between 1,957 and 2,784 square feet, and can be built with up to five bedrooms and two-and-a-half baths. KB homes at Sterling Chateau also feature desirable design elements such as open kitchens, functional mudrooms, and spacious front and side yards.

With KB Home's unique homebuilding approach, homebuyers at Sterling Chateau are able to personalize nearly everything about their home to suit their individual preferences. Pricing begins in the mid \$400,000s.

KB homes built at Sterling Chateau are designed to be more energy- and water-efficient than typical new and resale homes, which can translate into potentially significant savings on monthly utility costs for KB homeowners.

About KB Home

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®). KB Home has been named an ENERGY STAR Partner of the Year Sustained Excellence Award winner for four straight years and a WaterSense® Partner of the Year for four consecutive years. A FORTUNE 1,000 company, Los Angeles-based KB Home was the first homebuilder listed on the New York Stock Exchange, and trades under the ticker symbol "KBH."
