KB Home Announces the Opening of Waterfront Community in Jacksonville's Intracoastal West

With a boat launch area and river access, builder's unique new Egrets Cove neighborhood offers beautiful homes with no CDD fees

JACKSONVILLE, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the opening of its Egrets Cove community in Jacksonville, where homebuyers have their choice of eight customizable floor plans and the opportunity to live in the popular Intracoastal area just minutes from local beaches and employers.

The waterfront neighborhood features a community dock with Intracoastal Waterway access, and is located less than 10 miles from popular attractions like Hanna Park, Neptune and Atlantic beaches, as well as commuter destinations like Naval Station Mayport.

KB Home plans to construct a total of 48 single-family homes at Egrets Cove, with one- and two-story home designs available that range from 2,004 to 3,314 square feet, and can accommodate up to six bedrooms and four baths. With KB Home's unique homebuying experience, each home can be personalized—from lot location to floor plan and structural options to exterior elevation, as well as a wide array of décor choices—to meet each homebuyer's lifestyle and budget. Pricing begins in the low \$300,000s, with no CDD fees.

Cove in Jacksonville are ENERGY STAR® certified and include WaterSense labeled faucets and fixtures as standard, meaning they are designed to be more energy- and water-efficient than other typical new and resale homes. The water- and energy-saving features built into every new KB home can also help homeowners save money on their monthly utility bills.

Like all KB homes, those available at Egrets

About KB Home

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®). KB Home has been named an ENERGY STAR Partner of the Year Sustained Excellence Award winner for four straight years and a WaterSense® Partner of the Year for four consecutive years. A FORTUNE 1,000 company, Los Angeles-based KB Home was the first homebuilder listed on the New York Stock Exchange, and trades under the ticker symbol "KBH." For more information about KB Home's new home communities, call 888-KB-HOMES or visit www.kbhome.com.
