KB Home Announces the Grand Opening of Parker Creek in Galt

Builder debuts beautiful new homes priced from the low-\$300,000s in convenient Central Valley location

GALT, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the grand opening of its Parker Creek community in Galt, where the builder plans to construct a total of 51 single-family homes in this charming new neighborhood.

Conveniently located near Highway 99 and Interstate 5, Parker Creek is just 20 miles south of Sacramento and close to popular destinations like the Northern California Delta Recreation Area and Cosumnes River Preserve. Parker Creek's idyllic natural setting gives residents the opportunity to enjoy Galt's small-town atmosphere and recreational attractions, with the added benefit of city services and premier shopping and dining nearby.

Four flexible one- and two-story floor plans at KB Home's Parker Creek range in size from 1,996 to 2,597 square feet and can accommodate up to six bedrooms and three baths. Each home can be personalized to meet each homebuyer's lifestyle and budget, from lot location to floor plan and structural options to exterior elevation to many décor choices.

All new KB homes, including those at Parker Creek, are ENERGY STAR® certified, which helps KB homebuyers lower their energy costs and minimize their impact on the local environment.

KB Home's Parker Creek is now open at 833 McCauley Way in Galt. For more information, visit www.kbhome.com or call 888-KB-HOMES.

About KB Home

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®).
