## **KB Home Announces the Grand Opening of Cobblestone in Plumas Lake**

### **Builder's Cobblestone community offers beautiful homes in an exclusive master plan, convenient to employment and entertainment centers**

PLUMAS LAKE, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced that new KB homes are now available at the builder's Cobblestone neighborhood in Plumas Lake. With homes attractively priced from the mid-\$200,000s, homebuyers at KB Home's Cobblestone will have the unique opportunity to own a brand new KB home in one of southern Yuba County's premier master-planned communities in a prime commuting location.

With great access to Highways 65, 70 and 99, Cobblestone offers easy commutes to popular destinations like Beale Air Force Base, as well as major employers and attractions in Roseville, Rocklin and downtown Sacramento.

The five one- and two-story floor plans available at KB Home's Cobblestone range in size from 1,773 and 2,597 square feet, and can be built with as many as five bedrooms and three baths.

KB homes at Cobblestone also provide plenty of room for personalization through the builder's unique homebuying experience. Standard and additional choices offered at Cobblestone include structural modifications like converting a floor plan's designated flex space into a study, home office, or media center; décor details like flooring and cabinetry; and functional features like smart home technology and whole-home audio systems.

As with all new KB homes, the homes built at Cobblestone will be ENERGY STAR® certified and built with WaterSense® labeled faucets and fixtures, meaning they are some of the most energy- and water-efficient available today and have the potential to save homeowners money on their utility costs compared to typical new or resale homes.

KB Home's Cobblestone is now open at 1569 Ivy Hatch Way in Plumas Lake. For more information, visit [www.kbhome.com](http://www.kbhome.com) or call 888-KB-HOMES.

### **About KB Home**

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®). KB Home has been named an ENERGY STAR Partner of the Year Sustained Excellence Award winner for five straight years and a WaterSense® Partner of the Year for four consecutive years. A FORTUNE 1,000 company, Los Angeles-based KB Home was the first homebuilder listed on the New York Stock Exchange, and trades under the ticker symbol "KBH."
