KB Home Introduces New Homes at Mountain Vail Reserve in Tucson

National builder's latest Tucson community provides new homeownership opportunity close to jobs, schools and popular local attractions

TUCSON, Ariz.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the opening of its Mountain Vail Reserve community in Tucson, offering homebuyers the unique opportunity to own a brand new KB home in a great location close to major employment centers, stunning mountain ranges, and top-rated schools.

KB Home's Mountain Vail Reserve is located within the highly-regarded Vail School District, and is convenient to major roadways that connect the community to surrounding employers such as Davis-Monthan Air Force Base, the University of Arizona, and Raytheon. Residents at Mountain Vail Reserve will appreciate the community's beautiful views of the surrounding Catalina, Rincon and Santa Rita mountain ranges, and can also enjoy nearby shopping, dining and entertainment destinations.

The six one- and two-story home designs available at KB Home's Mountain Vail Reserve range in size from 1,465 to 2,652 square feet, and can be built with up to six bedrooms and three baths. Priced from the \$160,000s, KB homes at Mountain Vail Reserve feature open floor plans with expansive great rooms, spacious loft areas, and built-in storage solutions.

Homebuyers at Mountain Vail Reserve will be able to tailor their chosen floor plan to suit their individual preferences through KB Home's unique homebuying experience. From structural features like the number of beds and baths, to décor choices like flooring and cabinetry, and even advanced technological enhancements like whole-home audio systems and security packages, KB homebuyers are empowered to make choices about their new home's design and functionality.

All KB homes built at Mountain Vail Reserve will be ENERGY STAR® certified and include WaterSense® labeled faucets and fixtures, which can provide KB homeowners with peace of mind that their homes will be among the most energy- and water-efficient on the market today and help them to save money on monthly utility bills compared to typical new or resale homes. Solar power systems are also available at Mountain Vail Reserve to help homeowners further reduce their energy consumption.
