## **KB Home's La Cima Esplendorita is Now Open in Tucson**

### **National builder's new Tucson neighborhood offers beautiful one- and two-story homes in a picturesque location**

TUCSON, Ariz.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced that new KB homes are now available at the builder's La Cima Esplendorita community in Tucson. Located at the corner of Houghton and Escalante Roads, La Cima Esplendorita offers homebuyers the opportunity to live in a beautiful new KB home personalized to their preferences in an area that serves as a gateway to scenic Saguaro National Park East.

La Cima Esplendorita is ideally situated just minutes from UA Tech Park and close to many other top Tucson employers, including the University of Arizona, Davis-Monthan Air Force Base, and Raytheon, as well as exciting recreational activities like hiking, biking and picnicking at the magnificent Saguaro National Park East and in the majestic Santa Catalina and Rincon mountains.

With six one- and two-story floor plans available, KB homes at La Cima Esplendorita are sized between 1,718 and 2,723 square feet, and can be built with up to six bedrooms and three baths. KB homebuyers at La Cima Esplendorita will be able to tailor their chosen floor plan to suit their individual preferences through KB Home's unique homebuying experience. Pricing begins in the high-\$100,000s.

Like all KB homes, those available at La Cima Esplendorita in Tucson will be built to ENERGY STAR® certified standards and include WaterSense® labeled faucets and fixtures, meaning they are designed to be more energy- and water-efficient than other typical new and resale homes. The water- and energy-saving features built into every new KB home can also help homeowners save money on their monthly utility bills.

KB Home's La Cima Esplendorita community is now open at 10201 East Placita De Dos Pesos in Tucson. For more information, visit [www.kbhome.com](http://www.kbhome.com) or call 888-KB-HOMES.

### **About KB Home**

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®). KB Home has been named an ENERGY STAR Partner of the Year Sustained Excellence Award winner for five straight years and a WaterSense® Partner of the Year for four consecutive years. A FORTUNE 1,000 company, Los Angeles-based KB Home was the first homebuilder listed on the New York Stock Exchange, and trades under the ticker symbol "KBH."
