## **KB Home Announces the Grand Opening of Its Copperstone Community in Mesa**

**Situated at the intersection of Signal Butte Road and Broadway, Copperstone offers new homes in picturesque north Mesa**

MESA, Ariz.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the grand opening of its Copperstone community in Mesa, Ariz., where the builder plans to construct a total of 61 single-family homes in a prime location north of the Superstition Freeway.

With convenient access to Loop 202 and Route 60, Copperstone provides easy commutes to major employers throughout the Phoenix Metropolitan Area, as well as access to excellent schools and premier shopping and dining at popular destinations like the Superstition Springs Center, Mesa Riverview and SanTan Village. Mesa's dynamic recreational opportunities will allow KB homeowners at Copperstone to enjoy excellent parks, a variety of sports facilities, and highly-rated golf courses.

There are six one- and two-story floor plans offered at Copperstone, ranging in size from 1,559 to 2,800 square feet, with as many as five bedrooms, three baths, and two-car garages. Pricing begins in the low-\$200,000s. Homebuyers looking to build the home of their dreams will be able to personalize their home to suit their individual preferences through KB Home's unique homebuilding approach.

Like all KB homes, those available at Copperstone are ENERGY STAR® certified and include WaterSense® labeled faucets and fixtures as standard, meaning they are more energy- and water-efficient than most other typical new and resale homes. The water- and energy-saving features built into every new KB home can also help homeowners save money on their monthly utility bills.

### **About KB Home**

KB Home is one of the largest and most recognized homebuilding companies in the United States. Since its founding in 1957, the company has built more than half a million quality homes. KB Home's unique homebuilding approach lets each buyer customize their new home from lot location to floor plan and design features. As a leader in utilizing state-of-the-art sustainable building practices, all KB homes are highly energy efficient and meet strict ENERGY STAR® guidelines. This helps to lower monthly utility costs for homeowners, which the company demonstrates with its proprietary KB Home Energy Performance Guide® (EPG®). KB Home has been named an ENERGY STAR Partner of the Year Sustained Excellence Award winner for five straight years and a WaterSense® Partner of the Year for four consecutive years. A FORTUNE 1,000 company, Los Angeles-based KB Home was the first homebuilder listed on the New York Stock Exchange, and trades under the ticker symbol "KBH."
