HENDERSON, Nev.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the opening of its [Stonelake](#) community in Henderson, where homebuyers will have the opportunity to own a spacious single-family home in a private enclave on Stephanie Street next door to beautiful Cornerstone Park.

Stonelake offers easy access to Interstate 215 and U.S. Route 95 for convenient travel throughout the Las Vegas Valley. In addition, Stonelake is just down the street from the popular Galleria Mall, as well as a variety of nearby shops and restaurants on Stephanie Street.

Homeowners at Stonelake can enjoy outdoor activities at the adjacent 100-acre Cornerstone Park, which is situated around a tranquil lake, and features scenic walking trails, exercise stairs, covered picnic areas and lighted sport courts, all just a few steps away.

Well-priced from the high-\$200,000s, the two-story KB homes at Stonelake range in size from 1,947 to 2,920 square feet, and can be built with as many as six bedrooms and four baths. Distinguished by open layouts, large great rooms and spacious loft areas, the flexible floor plans include many desirable design features and can be tailored to suit each homebuyer's individual preferences.

Like all KB homes, those offered at Stonelake are designed to be more energy and water efficient than typical new and resale homes, which can translate into potentially significant savings on monthly utility costs for KB homeowners.
