## **KB Home Announces the Grand Opening of Artero in Livermore**

**Builder debuts commuter-friendly community in desirable East Bay location with townhomes priced from the mid-\$500,000s**

LIVERMORE, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the nation's largest and most recognized homebuilders, today announced the grand opening of [Artero](#) in Livermore, a 58-unit townhome community conveniently located near major freeways, employers and the city's historic downtown district.

Artero is close to Interstate 580 for easy commuting to employment centers in Pleasanton, San Ramon and throughout the East Bay, as well as to two ACE train stations for direct connections into the heart of the Silicon Valley. A hub for science and technology, Livermore is home to the renowned Lawrence Livermore and Sandia National Laboratories, and offers a broad range of cultural and recreational attractions, including a thriving arts scene, rich western heritage and vibrant wine industry.

Residents at Artero can enjoy the community's charming neighborhood atmosphere, while living less than three miles from Livermore's historic downtown area and its world-class shopping, dining and entertainment. Artero homeowners can also take advantage of the community's close proximity to the popular San Francisco Premium Outlets®.

The distinctive three-story floor plans available at Artero range between 1,710 and 1,981 square feet, and can be built with up to four bedrooms and three-and-a-half baths. Priced from the \$560,000s, KB homes at Artero feature open living spaces, built-in storage and two-car garages.

The energy-efficient home designs offered at Artero include a number of energy- and water-saving features such as the Carrier® Côt™ smart thermostat, ENERGY STAR® certified appliances and WaterSense® labeled fixtures, which can help lower utility bills for KB homeowners.

KB Home's Artero is now open in Livermore. For more information, visit [www.kbhome.com](http://www.kbhome.com) or call 888-KB-HOMES.

### **About KB Home**

KB Home is one of the largest and most recognized homebuilders in the United States and an industry leader in sustainability, building innovative and highly energy- and water-efficient new homes. Founded in 1957 and the first NYSE-listed homebuilder (ticker symbol: KBH), the company has built nearly 600,000 homes for families from coast to coast. Distinguished by its personalized homebuilding approach, KB Home lets each buyer choose their lot location, floor plan, décor choices, design features and other special touches that matter most to them.
