KB Home Celebrates the Grand Opening of Groves and Greencourts at Inspirada in Henderson

Builder debuts its latest offerings at the master-planned community of Inspirada, with townhomes priced from the \$190,000s and new model homes from its Greencourts collection

HENDERSON, Nev.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) is celebrating the grand opening of its [Groves collection of townhomes](#) and [Greencourts single-family homes](#) at the Inspirada master-planned community in Henderson. A grand opening event is scheduled to take place on Saturday, July 16, where visitors can tour new model homes from KB Home's Groves and Greencourts and experience first-hand what life could be like in this idyllic desert community.

KB Home's Groves is the builder's latest new home neighborhood within Inspirada, the innovatively-designed master-planned community situated on nearly 2,000 acres of land in the southern Las Vegas Valley. Located just minutes away from both the world-famous Vegas strip and a variety of city parks, Inspirada provides the perfect blend of contemporary urban city living with the leisure and relaxation of a suburban desert community. Residents have year-round access to Vegas' famous resorts, casinos and shows, while also enjoying available outdoor recreational activities like swimming, hiking, and golf.

While Inspirada is convenient to I-15 and other major highways for travel throughout the region, the resident-oriented community was designed with its various neighborhoods centered around vibrant gathering places connected through a vast network of walking and biking paths. KB homeowners at Inspirada can take advantage of its many planned and existing amenities, including more than 85 acres of parks, 35 miles of trails, six pools, multiple playgrounds, various sport courts, and more, all just steps from their front doors.

KB Home's Groves at Inspirada offers five, two-story floor plans priced from the \$190,000s that can feature up to 1,843 square feet, three bedrooms and two-and-a-half baths. The townhomes include many desirable design features, such as granite kitchen countertops, raised panel interior doors and ceramic tile, and can also be personalized to suit each buyer's individual preferences at the KB Home Design Studio.

In addition, two single-family home models are debuting from the builder's Greencourts at Inspirada collection. Greencourts' two-story floor plans range in size from 1,558 to 2,041 square feet, and can be built with as many as five bedrooms and three baths. Pricing begins in the \$220,000s.

Built to exacting ENERGY STAR® guidelines, KB homes at Inspirada are designed to be more energy and water efficient than typical new or resale homes in the area, which can translate into reduced utility bills for homeowners.

A grand opening celebration is scheduled for Saturday, July 16 from 11 a.m. to 3 p.m., with complimentary food and refreshments. KB Home will also be joined by the Henderson Chamber of Commerce for a ribbon cutting ceremony.
