KB Home Announces the Grand Opening of Copano Ridge in Universal City

Located inside Loop 1604 with easy access to Interstate 35, builder's new Northeast side neighborhood offers beautiful homes starting in the low-\$200,000s

UNIVERSAL CITY, Texas--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of [Copano Ridge](#), a new Northeast side neighborhood on Kitty Hawk Road inside Loop 1604 near prominent local employers like Randolph Air Force Base, Northeast Methodist Hospital and Northeast Lakeview College, and convenient to downtown San Antonio and Fort Sam Houston.

Families calling Copano Ridge home can take advantage of its proximity to popular restaurants and shopping at The Forum at Olympia Parkway and Rolling Oaks Mall, as well as family-friendly activities at Live Oak and Comanche parks. Children living in the community will attend Judson ISD schools. When completed, Copano Ridge will consist of 275 homes. The community will include a private pool, a children's playground and park space. Development of these amenities is underway.

Buyers at Copano Ridge can choose from single- and two-story homes ranging from 1,792 to 3,475 square feet. The 13 floor plans allow buyers to further customize their homes to include spaces such as great rooms, covered patios, lofts or additional bedrooms. All floor plans include a two-car garage and offer a variety of exterior choices and combinations featuring materials such as stucco, stone and brick.

"We're excited to be able to offer families one of the few opportunities to own a brand new home in this highly-desirable area where available land is scarce," said Brett Dietz, president of KB Home's San Antonio division. "In addition, our energy-efficient products and community amenities will set us apart when compared to other nearby subdivisions."

All KB homes, including those at Copano Ridge, are ENERGY STAR® certified, meaning they are designed to be more energy-efficient than most typical new and resale homes available in the local area.

KB Home will host a grand opening event at Copano Ridge on Saturday, August 13 from noon to 2 p.m. To visit the community, located at 310 Cottage View, from Loop 1604S take the Kitty Hawk Road exit and go inside the loop. The community entrance is on the left across the street from the Northeast Lakeview College campus. Visit www.kbhome.com or call 888-KB-HOMES to learn more.

About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States and an industry leader in sustainability, building innovative and highly energy- and water-efficient new homes. Founded in 1957 and the first NYSE-listed homebuilder (ticker symbol: KBH), the company has built nearly 600,000 homes for families from coast to coast. Distinguished by its personalized homebuilding approach, KB Home lets each buyer choose their lot location, floor plan, décor choices, design features and other special touches that matter most to them.
