About KB Home

KB Home (NYSE: KBH) is one of the largest homebuilders in the United States, with more than 600,000 homes delivered since our founding in 1957. We operate in 36 markets in eight states, primarily serving first-time and first move-up homebuyers, as well as active adults. We are differentiated in offering customers the ability to personalize what they value most in their home, from choosing their lot, floor plan, and exterior, to selecting design and décor choices in our KB Home Studios. In addition, our industry leadership in sustainability helps to lower the cost of homeownership for our buyers compared to a typical resale home. We take a broad approach to sustainability, encompassing energy efficiency, water conservation, healthier indoor environments, smart home capabilities and waste reduction. KB Home is the first national builder to have earned awards under all of the U.S. EPA's homebuilder programs — ENERGY STAR®, WaterSense® and Indoor airPLUS®.
