Highlands at Grist Mill is also close to the beautiful natural surroundings of Barton Springs Pool, Balcones Canyon Lands Wildlife Refuge and Canyon Lake.

“With 17 distinct floor plans and the ability to personalize their home at the KB Home Design Studio, Highlands at Grist Mill home buyers can co-create a new KB home that is designed to fit their needs and preferences,” said Ken Langston, president of KB Home’s Austin division. “The community’s proximity to parks, shopping, dining, entertainment and outdoor recreation offers residents plenty of opportunities to enjoy their Austin-area neighborhood.”

The KB homes at Highlands at Grist Mill will be built to current ENERGY STAR® certification guidelines and include WaterSense® labeled faucets and fixtures, meaning they are designed to be more energy and water efficient than most typical new and resale homes available in the area. These energy- and water-saving features are estimated to save home buyers between \$780 and \$1,440 a year in utility costs, depending on the floor plan.

KB Home’s distinct home building process allows buyers to personalize many aspects of their new home to suit their style and needs. After selecting their homesite and floor plan, KB home buyers can work with expert design consultants, who will guide them through every aspect of the process at the KB Home Design Studio, a showroom where they may select from a variety of design choices, including countertops, cabinets, lighting, appliances and window coverings.

The Highlands at Grist Mill sales office is located at 120 Adeline. From Interstate 35, exit RM-150 heading east. Turn left on Heidenreich Ln. and right on Grist Mill Rd. The community entrance is on the left. The sales office is open Mondays through Thursdays, 10 a.m.–6:30 p.m., Fridays, noon–7 p.m., Saturdays, 10 a.m.–7 p.m., and Sundays, 11 a.m.–7 p.m. For more information about Highlands at Grist Mill or KB Home’s other new-home neighborhoods, visit www.kbhome.com or call 888-KB-HOMES.
