"KB Home offers a variety of new-home communities in the

San Antonio area," said Rob Wasyliw, president of KB Home's San Antonio division. "Dove Heights is located in a desirable neighborhood with great access for commuters and gives home shoppers the opportunity to purchase a new, personalized KB home at a price that fits their budget."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the

ability to personalize their homes from homesites and floor plans to design features. All homes built surpass ENERGY STAR® certification standards, meaning the homes have substantially lower monthly utility costs when compared to typical used homes. The KB Home team works hand in hand with homeowners every step of the way so they have a real partner in the process.

Dove Heights is minutes away from a variety of entertainment venues, such as SeaWorld® San Antonio and Six Flags® Fiesta Texas, as well as shopping, including The Shops at Dove Creek, H-E-B plus!® and Walmart Supercenter. The community offers 10 floor plans with up to six bedrooms and three-and-a-half baths and ranging in size from approximately 1,500 to 2,900 square feet. These new homes feature desirable design characteristics like great rooms, storage space and designer kitchens. The community is situated within the Northside Independent School District, and pricing begins in the low \$200,000s.
