About KB Home

KB Home (NYSE: KBH) is one of the largest and most recognized homebuilders in the United States and has been building quality homes for over 60 years. Today, KB Home operates in 42 markets across eight states, serving a wide array of buyer groups. What sets us apart is how we give our customers the ability to personalize their homes from homesites and floor plans to cabinets and countertops, at a price that fits their budget. We are the first builder to make every home we build ENERGY STAR® certified. In fact, we go beyond the EPA requirements by ensuring every KB home has been tested and verified by a third-party inspector to meet the EPA's strict certification standards, which helps lower the cost of ownership. We also work with our customers every step of the way, building strong personal relationships so they have a real partner in the homebuying process, and the experience is as simple and easy as possible.
