# KB Home Announces the Grand Opening of Landings and Reserves at Cassia, Its Latest New-home Communities in Las Vegas

4/16/2021

Homebuilder to offer personalized, new homes in highly desirable West Las Vegas, priced from the mid \$300,000s

LAS VEGAS--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Landings and Reserves at Cassia, two new, single-family home communities located in a highly desirable West Las Vegas neighborhood at West Patrick Lane and South Durango Drive just off Interstate 215. The two new communities provide easy access to the Las Vegas Strip and the area's major employment centers, and are close to several parks, including Desert Breeze Park, a 240-acre public park that hosts a community center, skate park, dog park, aquatic facility, baseball and soccer fields, roller hockey rinks and picnic areas. The communities are also a short drive to outdoor recreation at Red Rock Canyon, several popular golf courses and shopping, dining and entertainment in Downtown Summerlin.

The new homes at Landings and Reserves at Cassia showcase desirable design characteristics

like spacious kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage space. Landings at Cassia's floor plans feature up to five bedrooms and four baths, and range in size from

approximately 1,400 to 2,400 square feet, while Reserves at Cassia's floor plans provide up to five bedrooms and five baths, and range in size from approximately 1,500 to 3,000 square feet. Both communities also offer the KB Home Office, a dedicated room that homebuyers can personalize for the way they work.

"Landings and Reserves at Cassia are situated in an ideal location convenient to Interstate 215, providing for easy commutes throughout Las Vegas," said Brian Kunec, Regional General Manager of KB Home's Las Vegas and Seattle divisions. "The new communities are also close to a variety of shopping, dining and entertainment in Downtown Summerlin and outdoor recreation at Red Rock Canyon and Desert Breeze Park. As with other KB Home communities, Landings and Reserves at Cassia provide home shoppers the opportunity to purchase a personalized, new KB home at a price that fits their budget."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

Landings and Reserves at Cassia sales offices and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$330,000s and \$360,000s, respectively.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States and has been building quality homes for over 60 years. Today, KB Home operates in 45 markets across eight states, serving a wide array of buyer groups. What sets us apart is how we give our customers the ability to personalize their homes from homesites and floor plans to cabinets and countertops, at a price that fits their budget. We are the first builder to make every home we build ENERGY STAR® certified. In fact, we go beyond the EPA requirements by ensuring every ENERGY STAR certified KB home has been tested and verified by a third-party inspector to meet the EPA's strict

certification standards, which help to lower the cost of ownership and to make our new homes healthier and more comfortable than new ones without certification. We also work with our customers every step of the way, building strong personal relationships so they have a real partner in the homebuying process, and the experience is as simple and easy as possible. Learn more about how we build homes built on relationships by visiting [kbhome.com](https://www.kbhome.com).
