LAS VEGAS--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Durham West, a new-home community located in a highly desirable southwest Las Vegas neighborhood. Durham West is situated on Grand Canyon Drive just off Blue Diamond Road, providing easy access to the Las Vegas Strip and the area's major employment centers as well as McCarran International Airport. Durham West is just minutes away from shopping, dining, and entertainment. Residents can also enjoy nearby outdoor recreation at Rhodes Ranch Golf Club and several beautiful parks, including Exploration Peak Park and Mountain's Edge Regional Park.

The new homes at Durham West showcase desirable design characteristics like spacious kitchens overlooking large great rooms, expansive primary bedroom suites with walk-in closets, and ample storage space. The floor plans feature up to five bedrooms and four baths, and range in size from approximately 1,400 to 2,400 square feet. The community also offers the KB Home Office, a dedicated room that homebuyers can personalize for the way they work.

"Durham West is situated in an ideal location convenient to Blue Diamond Road, providing for easy commutes throughout Las Vegas," said Brian Kunec, Regional General Manager of KB Home's Las Vegas and Seattle divisions. "The new community is also close to a variety of shopping, dining and entertainment as well as outdoor recreation

at Exploration Peak Park and Mountain's Edge Regional Park. As with other KB Home communities, Durham West provides home shoppers the opportunity to purchase a personalized, new KB home at a price that fits their budget.”

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Durham West sales office and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$370,000s.
