Homebuilder's latest community offers personalized, new homes in a desirable North Austin location priced from the \$310,000s.

AUSTIN, Texas--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Salerno, a new, single-family home community in Round Rock. Salerno is conveniently located near Interstate 35, Highway 79 and Highway 130 for an easy commute to Round Rock and Austin-area employers. Residents will also enjoy the community's proximity to Round Rock Premium Outlets® for shopping and Old Settlers Park for a variety of recreation, including disc golf, cricket and baseball.

The homes at Salerno showcase popular design characteristics like gourmet kitchens overlooking great rooms, expansive suites with walk-in closets, and lofts. The community features one- and two-story floor plans with up to six bedrooms and four-and-a-half baths and ranging in size from approximately 1,300 to 3,400 square feet. Future community amenities will include a pool and park, and Salerno is zoned for Hutto Independent School District.

"Salerno, located in the highly desirable city of Round Rock, is convenient to major highways for a short commute to area employers and just minutes to a variety of recreation, including Dell Diamond and Kalahari® Resort," said Ken Langston, President of KB Home's Austin division. "As with other KB Home communities, Salerno provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Salerno sales office and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$310,000s.
