Homebuilder's latest community offers personalized, new homes in a desirable West San Antonio location, priced from the \$240,000s.

SAN ANTONIO--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Tierra Buena, a new, single-family home community in San Antonio. Tierra Buena is conveniently located near US-90 and Loop 1604 and is just minutes away from Lackland Air Force Base. Residents will enjoy the community's proximity to The Shops at Dove Creek for shopping, dining and entertainment. Tierra Buena is also close to SeaWorld® San Antonio for family friendly fun.

The homes at Tierra Buena showcase popular design characteristics like gourmet kitchens overlooking great rooms, expansive suites with walk-in closets, and lofts. The community features one- and two-story floor plans with up to six bedrooms and three-and-a-half baths and ranging in size from approximately 1,000 to 2,800 square feet. Tierra Buena will include a community pool and playground.

"Tierra Buena is convenient to major highways for a short commute to area employers, including Port San Antonio, and zoned for the Medina Valley Independent School District," said Rob Wasyliw, President of KB Home's San Antonio division. "As with other KB Home communities, Tierra Buena provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Tierra Buena sales office and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$240,000s.
