TAMPA, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Williams Pointe, a new, single-family home community in Seffner. Williams Pointe is conveniently located near I-4, I-75, US-92 and US-301, for an easy commute to downtown Tampa and Brandon. Residents will enjoy the community's proximity to Westfield Brandon for shopping, dining and entertainment. Williams Pointe is also just a short drive to Seminole Hard Rock® Hotel & Casino and close to Eureka Springs Conservation Park, which features gardens with tropical plants, flowers and boardwalks.

The homes at Williams Pointe showcase popular design characteristics like gourmet kitchens overlooking great rooms, expansive suites with walk-in closets, and lofts. The community offers large homesites and features one- and two-story floor plans with up to six bedrooms and three baths and ranging in size from approximately 1,500 to 3,000 square feet.

"Williams Pointe offers large homesites, no CDD fees and a commuter-friendly location convenient to major highways," said Doug Guy, President of KB Home's Tampa division. "As with other KB Home communities, Williams Pointe provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Williams Pointe sales office and model homes are open for private in-person tours by appointment, and walk-in visits are welcome. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$350,000s.
