KB Home Announces the Grand Opening of Cordova Crossing, a New-Home Community in Seguin, Texas

4/4/2022

Homebuilder's latest community offers personalized, new homes in the San Antonio area, priced from the \$300,000s.

SAN ANTONIO--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Cordova Crossing, a new, single-family home community in Seguin. Cordova Crossing is conveniently located near I-10, State Highway 46 and the 130-toll road, offering an easy commute to San Antonio, New Braunfels and South Austin. Residents will enjoy the community's proximity to downtown Seguin for shopping and dining. The community is also near Seguin's Max Starcke Park for tennis, fishing, kayaking and walking trails and just minutes to The Bandit Golf Club.

The homes at Cordova Crossing showcase popular design characteristics like large kitchens overlooking great rooms, expansive bedroom suites with walk-in closets and spacious lofts. The community features one- and two-story floor plans with up to six bedrooms and four baths and that range in size from approximately 1,400 to 3,600 square feet. Cordova Crossing is zoned for Navarro Independent School District. Construction of a children's playground and a private dog park for community residents is underway.

"Cordova Crossing offers a tranquil country setting with city conveniences nearby and is convenient to several highways, offering an easy commute to major employers," said Rob Wasyliw, President of KB Home's San Antonio division. "As with other KB Home communities, Cordova Crossing provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Cordova Crossing sales office and model homes are open for walk-in visits, and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$300,000s.

About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States and has built over 655,000 quality homes in our 65-year history. Today, KB Home operates in 47 markets from coast to coast. What sets KB Home apart is the exceptional personalization we offer our homebuyers—from those buying their first home to experienced buyers—allowing them to make their home uniquely their own, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first builder to make every home it builds ENERGY STAR® certified, a standard of energy performance achieved by fewer than 10% of new homes in America and has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to be healthier, more comfortable and better for the environment than new homes without certification. We build strong, personal relationships with our customers, so they have a real partner in the homebuying process. As a result, we have the distinction of being the #1 customer-ranked national homebuilder in third-party buyer satisfaction surveys. Learn more about how we build homes built on relationships by visiting [kbhome.com](https://www.kbhome.com).
