# KB Home Announces the Grand Opening of Liberty Station, a New-home Community Near Downtown Raleigh

4/12/2022

Homebuilder's latest community offers personalized, new townhomes, priced from the \$280,000s.

RALEIGH, N.C.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Liberty Station, a new townhome community in Raleigh. Liberty Station is conveniently located near the interchanges of Interstates 40 and 440, offering an easy commute to area employers and universities. Residents will also enjoy the community's proximity to downtown Raleigh, a vibrant hotspot with museums, breweries, green space and performing arts. Nearby White Oak Crossing offers shopping, and a variety of recreation is available at Lake Benson Park, White Deer Park Nature Center, Kingwood Forest Park, Biltmore Hills Park and Greenbrier Park.

Liberty Station's low-maintenance townhomes showcase popular design characteristics like open kitchens overlooking great rooms and spacious bedroom suites with walk-in closets. The community features two-story floor plans with up to three bedrooms and two and-a-half baths and that range in size from approximately 1,200 to 1,400 square feet.

"Liberty Station, located near desirable downtown Raleigh, offers low-maintenance living and is convenient to major highways, offering a short commute to area employers. The community is also just minutes to a number of parks that offer a variety of recreation activities, including fishing, boating, hiking, sports fields and playgrounds," said

Doug Schwartz, President of KB Home's Raleigh division. "As with other KB Home communities, Liberty Station provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs."

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their home by selecting from a wide range of design choices. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency's (EPA) Indoor airPLUS standards.

The Liberty Station sales office and model homes are open for walk-in visits, and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$280,000s.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States and has built over 655,000 quality homes in our 65-year history. Today, KB Home operates in 47 markets from coast to coast. What sets KB Home apart is the exceptional personalization we offer our homebuyers — from those buying their first home to experienced buyers — allowing them to make their home uniquely their own, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first builder to make every home it builds ENERGY STAR® certified, a standard of energy performance achieved by fewer than 10% of new homes in America and has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to be healthier, more comfortable, and better for the environment than new homes without certification. We build strong, personal relationships with our customers, so they have a real partner in the homebuying process. As a result, we have the distinction of being the #1 customer-ranked national homebuilder in third-party buyer satisfaction surveys. Learn more about how we build homes built on relationships by visiting [kbhome.com](http://kbhome.com).
