MARANA, Ariz.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of The Legends, a new-home community situated within the popular Gladden Farms master plan in Marana, Arizona. The community's homes feature up to five bedrooms and three baths, and range in size from approximately 1,200 to 2,100 square feet.

“Our new community, The Legends at Gladden Farms, features a collection of single-story homes in the desirable northwest Tucson area. The master-planned community hosts numerous amenities and is close to shopping, dining, entertainment and local schools,” said Amy McReynolds, President of KB Home’s Tucson division. “As with other KB Home communities, The Legends at Gladden Farms provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs.”

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency’s (EPA) Indoor airPLUS standards.

The Legends at Gladden Farms sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the low \$300,000s.
