# KB Home Announces the Grand Opening of Centerpoint Meadows, a New-Home Community in Lockhart, Texas

10/24/2022

Homebuilder's latest community offers personalized, new homes in the south Austin area, affordably priced from the \$280,000s

AUSTIN, Texas--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Centerpoint Meadows, a new, single-family home community in Lockhart. Centerpoint Meadows is conveniently located near Highways 130 and 183 and just minutes away from downtown Lockhart for shopping, dining and entertainment. Residents will enjoy the community's proximity to Maple Street Park, Lockhart Soccer Complex and Lockhart State Park for sports and outdoor recreation.

The homes at Centerpoint Meadows showcase popular design characteristics like large kitchens overlooking great rooms, expansive bedroom suites with walk-in closets, and spacious lofts. The one- and two-story floor plans feature up to six bedrooms and four-and-a-half baths, and range in size from approximately 1,200 to 2,900 square feet. Centerpoint Meadows is zoned for Lockhart Independent School District, and community amenities will include a playground and park.

"Centerpoint Meadows' commuter-friendly location provides easy access to major highways for a quick commute to area employers and downtown Lockhart. Residents will also enjoy the community amenities and nearby outdoor recreation and sports fields," said Ken Langston, President of KB Home's Austin division. "As with other KB Home

communities, Centerpoint Meadows provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs.”

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior elevations, from design options to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency’s (EPA) Indoor airPLUS standards.

The Centerpoint Meadows sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$280,000s.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States and has built over 655,000 quality homes in our 65-year history. Today, KB Home operates in 47 markets from coast to coast. What sets KB Home apart is the exceptional personalization we offer our homebuyers — from those buying their first home to experienced buyers — allowing them to make their home uniquely their own, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first builder to make every home it builds ENERGY STAR® certified, a standard of energy performance achieved by fewer than 10% of new homes in America and has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to be healthier, more comfortable, and better for the environment than new homes without certification. We build strong, personal relationships with our customers, so they have a real partner in the homebuying process. As a result, we have the distinction of being the #1 customer-ranked national homebuilder in third-party buyer satisfaction surveys.
