ORLANDO, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Spirit Landings, a new, single-family home community in Winter Haven. Spirit Landings is located near US-17, Highway 60 and Polk Parkway for an easy commute to Lakeland and area employers, including Winter Haven Hospital, Bartow Regional Medical Center and Publix® Corporate. Residents will enjoy the close proximity to shopping, dining and entertainment in downtown Winter Haven. The community is also just a short drive to family fun at LEGOLAND® and Auburndale Speedway and near Lake Travis, Lake Hancock, Lake Shipp Park and South Lake Howard Nature Park for outdoor recreation.

The homes at Spirit Landings showcase popular design characteristics like large kitchens overlooking great rooms, expansive bedroom suites with walk-in closets, and spacious lofts. The one- and two-story floor plans feature up to six bedrooms and three baths, and range in size from approximately 1,200 to 3,000 square feet.

“Spirit Landings’ commuter-friendly location provides easy access to major highways for a short drive to Lakeland and area employment centers, and residents will also enjoy the nearby shopping, dining, entertainment and outdoor recreation options,” said Fred Wyborski, President of KB Home’s Orlando division. “As with other KB Home

communities, Spirit Landings provides home shoppers with the opportunity to purchase a new KB home that can be personalized to reflect their lifestyle and needs.”

KB Home stands out from other homebuilders as the company gives homebuyers exceptional choice and control. KB Home starts by offering a wide variety of homes at an affordable price. From there, the builder gives buyers the ability to personalize their homes from floor plans to exterior styles, from design choices to where they live in the community. The KB Home team works hand in hand with homeowners every step of the way, so they have a real partner in the process.

Every KB home is designed to be ENERGY STAR® certified thanks to the quality construction techniques and materials utilized that ultimately deliver significant savings on utility bills compared to used homes. Additionally, all new KB homes are designed to deliver an enhanced indoor environment and include high performance ventilation systems, low- or zero-VOC products and other features guided by the Environmental Protection Agency’s (EPA) Indoor airPLUS standards.

The Spirit Landings sales office and model home are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$280,000s.
