# KB Home Announces the Grand Opening of Its Newest Community in Highly Desirable Spring, Texas

9/14/2023

Breckenridge Forest offers personalized, spacious, new homes with family-friendly community amenities, priced from the mid \$200,000s.

HOUSTON--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Breckenridge Forest, its latest new-home community in Spring. These new homes are designed for the way people live today, with popular design features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage. The community's one- and two-story floor plans feature up to six bedrooms and five baths. Community amenities include a pool, pavilion and playground and is zoned for Spring Independent School District.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in the Houston area spacious, new, one- and two-story homes that live bigger

for less,” said Brett Dietz, President of KB Home’s Houston division. “Families will appreciate Breckenridge Forest’s community amenities, including a pool, cabana and playground and its desirable location, near a variety of outdoor recreation. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. Thanks to quality construction techniques and materials, every home KB builds is designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — to deliver greater comfort, well-being and utility cost savings than new homes without certification.

Breckenridge Forest is situated in a commuter-friendly location that offers homebuyers an exceptional lifestyle. Located off Cypresswood Drive, the community provides easy access to Hardy Tollway, Interstate 45 and Interstate 69 for a short drive to The Woodlands, Energy Corridor and downtown Houston. The community is surrounded by Stahl Preserve and Spring Creek Greenway, which offer 40 miles of hiking/biking trails and green space. Residents will also enjoy the community's proximity to a variety of shopping and dining at a Deerbrook Mall and The Woodlands Mall. George Bush Intercontinental Airport is less than 10 miles away.

The Breckenridge Forest sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the mid \$200,000s.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States, operating in 47 markets from coast to coast, and building over 670,000 quality homes in our more than 65-year history. What sets KB Home apart is our focus on building strong, personal relationships with every customer — from those buying their first home to experienced buyers — so they have a real partner in the homebuying process. No two KB homes are the same. That's because every home is uniquely built for each customer, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first national builder to make a broad commitment to building ENERGY STAR® certified homes, a standard that fewer than 10% of new homes nationwide meet, and KB Home has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to deliver greater comfort and well-being than new homes without certification. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1

customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site. Learn more about how we build homes built on relationships by visiting [kbhome.com](https://www.kbhome.com).
