# KB Home Announces the Grand Opening of Its Newest Community in Highly Desirable Commerce City, Colorado

11/17/2023

Legato offers personalized, spacious, new homes with planned family friendly amenities and close to outdoor recreation, priced from the \$480,000s

COMMERCE CITY, Colo.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Legato, a new community in a prime east Commerce City, Colorado location. The new homes at Legato are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage space. The community's floor plans feature up to six bedrooms and three-and-a-half baths. Homeowners will appreciate the planned community amenities, which will include an on-site school, parks and trails.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer Denver-area homebuyers spacious, new homes in a desirable Commerce City location,” said Randy Carpenter, President of KB Home’s Colorado division. “Homeowners will appreciate Legato’s planned amenities, which include an on-site school, parks and trails and the community’s proximity to outdoor recreation, including top-rated golf courses and hiking/biking at Rocky Mountain Arsenal National Wildlife Refuge. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. Our homes are designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Legato is situated at the intersection of Legato Parkway and East 92nd Place off Tower Road, providing easy access to Interstate 70, E-470, Denver International Airport and the area’s major employment centers. The new community is convenient to shopping, dining and entertainment on Tower Road and just a short drive to Gaylord Rockies® Resort.

The Legato sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$480,000s.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States, operating in 47 markets from coast to coast, and building over 670,000 quality homes in our more than 65-year history. What sets KB Home apart is our focus on building strong, personal relationships with every customer — from those buying their first home to experienced buyers — so they have a real partner in the homebuying process. No two KB homes are the same. That’s because every home is uniquely built for each customer, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first national builder to make a broad commitment to building ENERGY STAR® certified homes, a standard that fewer than 10% of new homes nationwide meet, and KB Home has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to deliver greater comfort and well-being than new homes without certification. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review
