## KB Home Announces the Grand Opening of Its Newest Master-Planned Community, The Grove, in Popular Elk Grove, California

11/17/2023

Highland and Westbourne at The Grove, the first two communities within the new master plan, offer personalized, spacious, new homes zoned for highly ranked schools, priced from the mid \$500,000s.

The Company will celebrate the master plan's grand opening, Saturday, Nov. 18, 11 a.m. to 3 p.m., during which home shoppers can explore the new community, tour the beautiful model homes and enjoy complimentary food.

ELK GROVE, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of its newest master-planned community, The Grove, in popular Elk Grove, California. The new homes at Highland and Westbourne, the first two new communities within The Grove, are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms, bedroom suites with walk-in closets, and ample storage space. Highland at The Grove's one-story homes offer up to four bedrooms and two baths, while the one- and two-story homes at Westbourne feature up to five bedrooms and three baths. The Grove will eventually feature five new communities and a host of planned amenities, which will include parks, children's playgrounds, picnic areas and sports courts. The new master plan is also zoned for the highly ranked Elk Grove Unified School District and will offer a future on-site elementary school.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer Sacramento-area homebuyers spacious new homes in our beautiful, new, Elk Grove master plan zoned for the highly ranked Elk Grove School District," said Nam Joe, President of KB Home's Sacramento division. "Highland and Westbourne at The Grove homeowners will appreciate the planned amenities, which will include parks, children's playgrounds, picnic areas, sports courts and an on-site elementary school. At KB Home, we're here to help you achieve your dream with a personalized new home built uniquely for you and your life."

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. Our homes are designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Highland and Westbourne at The Grove are situated between Highway 99 and Interstate 5 just south of Whitelock Parkway, providing easy access to the Sacramento area's major employment centers and Sacramento International Airport. The new communities are also convenient to shopping, dining and entertainment as well as outdoor recreation at Elk Grove Aquatics Center, Emerald Lakes Golf Course and Elk Grove Regional Park, which offers walking trails, sports fields, picnic areas, a swim center, fishing lake and dog park.

The Highland and Westbourne at The Grove sales offices and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the mid \$500,000s.

## About KB Home

KB Home is one of the largest and most recognized homebuilders in the United States, operating in 47 markets

from coast to coast, and building over 670,000 quality homes in our more than 65-year history. What sets KB Home apart is our focus on building strong, personal relationships with every customer — from those buying their first home to experienced buyers — so they have a real partner in the homebuying process. No two KB homes are the same. That's because every home is uniquely built for each customer, at a price that fits their budget. As the leader in energy-efficient homebuilding, KB Home was the first national builder to make a broad commitment to building ENERGY STAR® certified homes, a standard that fewer than 10% of new homes nationwide meet, and KB Home has built more ENERGY STAR certified homes than any other builder. An energy-efficient KB home helps lower the cost of ownership and is designed to deliver greater comfort and well-being than new homes without certification. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.
