ORLANDO, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Laurel Oaks, a new-home community in Apopka. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms and expansive bedroom suites with walk-in closets. The community's one- and two-story floor plans feature up to six bedrooms and three baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in Central Florida spacious new one- and two-story homes in a commuter-friendly location," said Fred Wyborski, President of KB Home's Orlando division. "Families will appreciate the community's proximity to a variety of popular outdoor recreation, including Wekiwa Springs State Park and

Northwest Recreation Complex. At KB Home, we're here to help you achieve your dream with a personalized new home built uniquely for you and your life."

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Laurel Oaks is situated in a convenient location that provides easy access to US-441, Highway 429 and Highway 46. The community is a short drive to downtown Orlando, and residents will enjoy Laurel Oaks' proximity to shopping and dining along East Semoran Boulevard and a variety of outdoor recreation at Kelly Park and Wekiwa Springs State Park as well as multiple trailheads for hiking and biking.

The Laurel Oaks sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$430,000s.
