RALEIGH, N.C.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Tucker Place, a new-home community in Raleigh. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms and expansive bedroom suites with walk-in closets. The community's one- and two-story floor plans feature up to five bedrooms and three baths. Planned community amenities include a pool, playground and walking trail. Tucker Place is also zoned for the highly ranked Wake County Public School System.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in the Raleigh area spacious new one- and two-story homes in a desirable

location close to highly ranked Wake County schools,” said Doug Schwartz, President of KB Home’s Raleigh division. “Families will appreciate the community’s planned on-site amenities and proximity to shopping, dining and outdoor recreation. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Tucker Place is situated in a convenient location off Hartham Park Avenue with easy access to 401 North, Highway 96 and Interstate 540. Residents will enjoy the community’s proximity to a variety of outdoor recreation at Granite Falls Swim & Athletic Club and Fantasy Lake Adventure Park, and shopping and dining at Triangle Town Center.

The Tucker Place sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$380,000s.
