KB Home Announces the Grand Opening of Its Newest Community in Graham, North Carolina

8/9/2024

Graham Springs offers personalized, spacious, new homes near local schools, outdoor recreation, shopping and dining, priced from the low \$300,000s.

RALEIGH, N.C.--(BUSINESS WIRE)-- KB Home (NYSE: KBH) today announced the grand opening of Graham Springs, a new-home community in Graham. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms and expansive bedroom suites with walk-in closets. The community's one- and two-story floor plans feature up to five bedrooms and three baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in the Graham area spacious new one- and two-story homes in a convenient location that is close to local schools," said Doug Schwartz, President of KB Home's Raleigh division. "Families will appreciate the community's proximity to shopping and dining in historic downtown Mebane as well as a variety of

outdoor recreation, including Haw River and Longmeadow Trailhead. At KB Home, we're here to help you achieve your dream with a personalized new home built uniquely for you and your life."

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Graham Springs is situated in a commuter-friendly location that is just a short drive to the Durham and Greensboro metropolitan areas, Elon University, University of North Carolina and Duke University. Residents will enjoy the community's proximity to outdoor recreation at Haw River and Longmeadow Trailhead. Shopping, dining and entertainment options are also available in nearby downtown Mebane and at Tanger Outlets® .

The Graham Springs sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the low \$300,000s.
