# KB Home Announces the Grand Opening of Its Newest Community in a Prime Elk Grove, California Location

2024-11-15

Hamilton Park offers personalized, new homes close to schools and popular parks, priced from the low \$500,000s

SACRAMENTO, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Hamilton Park in a prime Elk Grove, California location. The new homes are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms, bedroom suites with walk-in closets, and ample storage space. The two-story homes at Hamilton Park offer up to five bedrooms and three baths. Homeowners will appreciate the convenient location minutes to local schools and popular parks.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer homebuyers in the Sacramento area spacious new two-story homes in a beautiful Elk Grove neighborhood,” said Nam Joe, President of KB Home’s Sacramento division. “Families will appreciate Hamilton Park’s proximity to schools and popular parks, including Jan Rau Community Park and Glen E. Underwood Park. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 10% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Hamilton Park is situated in a commuter-friendly location that offers homebuyers an exceptional lifestyle. The new community is located on Elk Grove Florin Road just south of Sheldon Road, providing easy access to Interstate 5, Highway 99 and the Sacramento Regional Transit Light Rail as well as the area’s major employment centers and Sacramento International Airport. Homeowners will also appreciate the proximity to shopping and dining at Delta Shores and downtown Sacramento and popular entertainment venues, including Golden 1 Center, Cal Expo and Old Sacramento Riverfront. Hamilton Park is also close to the Sacramento Zoo and Fairytale Town and a short drive to the Sierra Nevada Mountains and Lake Tahoe, which offer year-round outdoor recreation and world-class resorts.

The Hamilton Park sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the low \$500,000s.
