ORLANDO, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Hillside at Mount Dora, a new-home community in Mount Dora. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. The community's one- and two-story floor plans feature up to six bedrooms and four-and-a-half baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in Central Florida spacious new one- and two-story homes near shopping and dining in downtown Mount Dora," said Fred Wyborski, President of KB Home's Orlando division. "Families will

appreciate Hillside at Mount Dora's proximity to a variety of outdoor recreation, including Wekiwa Springs State Park and popular lakes for fishing and boating. At KB Home, we're here to help you achieve your dream with a personalized new home built uniquely for you and your life."

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Hillside at Mount Dora is situated in a commuter-friendly location off Robie Avenue and convenient to US-441, Highway 429 and Highway 46. The community provides easy access to quaint historic downtown Mount Dora, known for its variety of antique and specialty shops, local dining and events, including the Mount Dora Spring Festival of Arts and Crafts, which is one of the top craft festivals in America. Residents will also enjoy Hillside at Mount Dora's proximity to highly rated golf courses like Mount Dora Golf Club, Deer Island Country Club and Country Club of Mount Dora as well as Wekiwa Springs State Park and Kelly Park for fishing, swimming and hiking.

The Hillside at Mount Dora sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$360,000s.
