RALEIGH, N.C.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Turkey Ridge, a new-home community in Northern Johnston County. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. The community's one- and two-story floor plans, situated on large homesites that range from a half-acre to over one acre, feature up to five bedrooms and three-and-a-half baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer homebuyers in Northern Johnston County spacious, new, one- and two-story homes in a convenient location near major employers, shopping and dining,” said Douglas Schwartz, President of KB Home’s Raleigh division. “Families will also appreciate the community’s proximity to a variety of outdoor recreation, including hiking trails and golf courses. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Turkey Ridge is situated in a commuter-friendly location off Cleveland Road and convenient to Highway 70 and Interstate 95 for easy access to major employers, including Amazon Fulfillment Center, Novo Nordisk® and UNC Health® Johnston. Residents will also enjoy the community’s proximity to a variety of outdoor recreation, including Reedy Creek Golf Course, Smithfield Community Park and Buffalo Creek Greenway, as well as shopping and dining at SoDoSoPa and Carolina Premium Outlets® .

The Turkey Ridge sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the low \$300,000s.
