KB Home Announces the Grand Opening of Its Newest Community in Perris, California

2025-04-04

Rockridge offers personalized, new homes walking distance to family friendly parks and local schools, priced from the \$580,000s.

PERRIS, Calif.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of its newest community, Rockridge, in a desirable Perris neighborhood in Riverside County, California. The new homes are designed for the way people live today, with popular interior features like modern kitchens overlooking large great rooms, bedroom suites with walk-in closets, and ample storage space. The one- and two-story homes at Rockridge offer up to five bedrooms and three-and-a-half baths. Homeowners will appreciate being walking distance to family friendly parks and local schools.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer Southern California homebuyers new one- and two-story homes in a popular Perris

neighborhood in Riverside County,” said Erick Montano, President of KB Home’s Inland Empire division. “Rockridge homeowners will appreciate being walking distance to local schools and several parks, including May Ranch and Liberty Park. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Rockridge is situated in a commuter-friendly location that offers homebuyers an exceptional lifestyle. The new community is located at the corner of Walnut Avenue and Sherman Road, providing easy access to Interstate 215 and Highway 74 as well as Ontario International Airport and some of Riverside County’s major employment centers, including Riverside University Health System, Kaiser Permanente® and March Air Reserve Base. Rockridge is convenient to shopping, dining and entertainment in downtown Perris and swimming, camping, boating and fishing at Diamond Valley Lake and Lake Perris.

The Rockridge sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$580,000s.
