BOISE, Idaho--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Enclave, Traditions and Reserve at Reflections Edge, three new communities in a prime Nampa, Idaho location. The new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, bedroom suites with walk-in closets and ample storage space. The one- and two-story homes at Reflections Edge offer up to five bedrooms and three baths. Homeowners will appreciate the communities' beautiful mountain views, proximity to local schools and planned on-site amenities, which include a park and walking paths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer Boise-area homebuyers spacious new homes in a prime Nampa location,” said Stan Katanic, President of KB Home’s Boise division. “Enclave, Traditions and Reserve at Reflections Edge are close to local schools and offer homebuyers stunning mountain views and planned on-site amenities, including a park and walking paths. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Enclave, Traditions and Reserve at Reflections Edge are situated in a commuter-friendly location that offers homebuyers an exceptional lifestyle. The new communities are located at the corner of East Big Wood River Drive and South Happy Valley Road, close to Interstate 84 and providing easy access to downtown Boise, the area’s major employment centers and Boise Airport. The new neighborhoods are also convenient to popular shopping, dining and entertainment at Karcher Mall, Indian Creek Plaza, Ford Idaho Center, The Village at Meridian and SCHEELS®. Enclave, Traditions and Reserve at Reflections Edge are just a short drive to outdoor recreation at Lake Lowell Park, Ridgecrest Golf Club, Lucky Peak State Park and Bogus Basin.

The Reflections Edge sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the mid \$300,000s.
