AUSTIN, Texas--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Stoney Chase, a new-home community in Del Valle. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. The community's one- and two-story floor plans feature up to five bedrooms and three-and-a-half baths. Future community amenities include a pool, park, playground, basketball court and walking paths. Stoney Chase is also zoned for Del Valle Independent School District.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer homebuyers in the Austin area new one- and two-story homes in a desirable location near major employers, downtown Austin and Austin-Bergstrom International Airport,” said Chemise McCain, President of KB Home’s Austin division. “Families will also appreciate Stoney Chase’s proximity to a variety of entertainment venues, including Circuit of The Americas™ Formula 1® Track and Germania Insurance® Amphitheater. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Stoney Chase is in a convenient location that offers homebuyers an exceptional lifestyle. The new community is situated off Elroy Road, which provides easy access to Highway 130, Highway 183 and Interstate 35 for a quick commute to downtown Austin and Austin-Bergstrom International Airport. Residents will also enjoy Stoney Chase’s proximity to a variety of outdoor recreation and entertainment, including Lady Bird Lake, Circuit of The Americas Formula 1 Track and Germania Insurance Amphitheater.

The Stoney Chase sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$280,000s.
