SAN ANTONIO--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Punta Verde, a new-home community in Converse. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. The community's one- and two-story floor plans feature up to five bedrooms and three baths. Future community amenities include a children's playground and pavilion.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder in San Antonio based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer homebuyers in the San Antonio area new one- and two-story homes in a desirable location

near major employers and military bases, including Randolph Air Force Base and Joint Base San Antonio-Fort Sam Houston,” said Jeff Ferguson, President of KB Home’s San Antonio division. “Families will also appreciate Punta Verde’s proximity to The Forum at Olympia Parkway for shopping and dining and Converse City Park for outdoor recreation. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments.
