KUNA, Idaho--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Journeys End, a new-home community in highly desirable Kuna, Idaho. Just 20 minutes southwest of Boise, Kuna offers the perfect blend of stunning mountain views, peaceful rural charm and modern convenience. The new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and ample storage space. The community's one- and two-story floor plans feature up to five bedrooms and three baths. Journeys End is walking distance to local schools as well as shopping and dining in downtown Kuna. The new neighborhood is also adjacent to Indian Creek, where homeowners can enjoy waterfront walking and biking paths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer Boise-area homebuyers spacious new one- and two-story homes in the charming city of Kuna, Idaho,” said Stan Katanic, President of KB Home’s Boise division. “Journeys End is situated on the banks of Indian Creek, a popular recreation area, which offers waterfront parks with walking and biking trails as well as swimming, floating and fishing areas. The new neighborhood is also walking distance to local schools and downtown Kuna, which offers boutique shopping, a variety of dining options and a seasonal outdoor marketplace. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Journeys End is in an ideal location that offers homebuyers an exceptional lifestyle. The community is situated at the corner of South Kay Avenue and East Exploration Drive, providing easy access to Interstate 84, downtown Boise, the area’s major employment centers and Boise Airport. Outdoor enthusiasts will appreciate the proximity to Snake River Birds of Prey National Conservation Area, which offers camping, hiking and biking and bird watching, as well as Lucky Peak State Park and Lake Lowell Park for boating, swimming and fishing. The new neighborhood is also just a short drive to Bogus Basin, which features year-round outdoor recreation, including hiking, mountain biking, skiing and snowboarding.

The Journeys End sales office and model home are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing starts from the low \$400,000s.
