HOUSTON--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., announced the grand opening of Saddlebrook, a new-home community in Beasley, a city known for its quiet, small-town atmosphere. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. The community's one- and two-story floor plans feature up to six bedrooms and four-and-a-half baths. Planned community amenities include a park, playground, splash pad, dog park, pond and pickleball courts. Saddlebrook is also zoned for the Lamar Consolidated Independent School District.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder in Houston based on homebuyer satisfaction surveys from a leading third-party review site.

“We are pleased to offer homebuyers in the Houston area spacious new one- and two-story homes in a desirable location with a wide variety of community amenities, including a park, playground and splash pad,” said Brett Dietz, President of KB Home’s Houston division. “Families will appreciate Saddlebrook’s proximity to local schools, employment centers in Rosenberg, Richmond and Sugar Land, and a variety of outdoor recreation at Brazos Bend State Park, Seabourne Creek Nature Park and Bates M. Allen Park. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Saddlebrook is in a convenient location that offers homebuyers an exceptional lifestyle. The new community is situated off Beasley West End Road and Lehman Road, providing easy access to Highways 59 and 90 for a short drive to major employment centers. Homebuyers will appreciate the short drive to Fort Bend County Epicenter, Fort Bend County Fairgrounds and Smart Financial Centre for family entertainment, concerts and performances as well as the community’s proximity to a variety of shopping and dining at Brazos Town Center and in downtown Rosenberg.

The Saddlebrook sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the high \$100,000s.
