ORLANDO, Fla.--(BUSINESS WIRE)-- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Oasis Reserve, a new-home community in east Orlando, which is known for its major universities and research hubs. These new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. Oasis Reserve's one- and two-story floor plans feature up to six bedrooms and three baths.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are excited to introduce area homebuyers to a beautiful new-home community with one- and two-story homes in a popular east Orlando location close to University of Central Florida and a variety of shopping and dining at Lee

Vista Promenade,” said Fred Wyborski, President of KB Home’s Orlando division. “Families will also appreciate Oasis Reserve’s proximity to Downey Park, which features a splash playground, baseball complex, dog park and sand volleyball courts. At KB Home, we’re here to help you achieve your dream with a personalized new home built uniquely for you and your life.”

Innovative design plays an essential role in every home KB builds. The company’s floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Oasis Reserve is in a convenient location that offers homebuyers an exceptional lifestyle. The new community is situated off Curry Ford Road just east of South Chickasaw Trail, providing easy access to Highways 408 and 417. Residents will enjoy Oasis Reserve’s proximity to Orlando International Airport, University of Central Florida and area employers, including Lake Nona Medical City and AdventHealth East Orlando. The community is also minutes to golfing at Ventura Country Club and Rio Pinar Golf Club, a variety of outdoor recreation at Downey Park, and shopping and dining at Lake Nona Town Center and Waterford Lakes.

The Oasis Reserve sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$470,000s.
