Situated in San Bernardino County, Ontario features an ideal blend of small-town charm, scenic views and a welcoming downtown district where residents and visitors can enjoy an array of cozy cafés, trendy restaurants, unique boutiques, artisan studios and social gathering spots. What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We are pleased to offer Southern California homebuyers spacious new homes within the sought-after Compass Pointe master plan in the charming city of Ontario. The new communities feature several planned on-site amenities, including a pool, cabana, picnic area, children's playground and parks," said Erick Montano, President of KB Home's Inland Empire division. "Meridian and Solstice at Compass Pointe are walking distance to schools and parks, including the planned Ontario Grand Park, where families will enjoy expansive play areas, a farm hub, community barn and 5,000-seat outdoor amphitheater. Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR[®] certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Meridian and Solstice at Compass Pointe are in an ideal location that offers homebuyers an exceptional lifestyle. The communities are situated at the corner of Haven Avenue and East Parkview Street, providing access to Highway 91, Highway 60, Interstate 15, Interstate 10 and Ontario International Airport as well as major employers in Orange and Los Angeles Counties. Compass Pointe is close to shopping, dining and entertainment in downtown Ontario and at The Station at Eastvale, Goodman Commerce Center and Eastvale Gateway. The new communities are also a short drive to year-round outdoor recreation at Big Bear Lake.

The Meridian and Solstice sales offices and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the \$760,000s.
